

To Whom it May Concern

My name is Bernie Mulkerrins and I work for Clarendon Homes in Sydney as a Production Estimator in the Construction Department. Ian from KCW Constructions has just Completed Building a New Dwelling for myself on Maclay Island. I first saw the New Dwelling approximately 3 weeks from completion. I was impressed with the quality and workmanship of the end product not to mention the speed of building the New Dwelling approximately 5 Months. Ian was very professional throughout the Building Process providing regular updates, Photo's and some good advice. Being involved in the industry for many years I also believe Ian provides a good Quality Dwelling for a Competitive Contract Price. I would have no hesitation in recommending Ian as the Preferred Builder of choice on the Morton Bay Islands.

Your Sincerely
Bernie Mulkerrins

Production Estimator
